

Chief Financial Officer

Dakota Carrier Network ("DCN"), Fargo, ND

Dakota Carrier Network ("DCN") is a premier technology partner for the North Dakota business community offering a full complement of secure, high-speed, cutting-edge technology solutions to customers throughout the State and region. DCN is proudly owned by thirteen of North Dakota's rural communications carriers. Collectively DCN and the carriers have more than 40,000 miles of fiber network deployed and employ more than 1,000 North Dakotans. With office locations in Bismarck and Fargo the DCN organization offers the successful applicant a rewarding and career-fulfilling destination. The CFO is an integral part of the DCN executive team. Due to a planned retirement of the position incumbent after more than two decades, we are seeking a CFO with the experience, vision, and leadership skills to join us in our future leadership efforts. The CFO will have responsibility for a comprehensive set of financial responsibilities and will report directly to the Chief Executive Officer.

Our Requirements:

- An organizational leader with experience leading a customer-centric organization, and a demonstrated working knowledge of accounting and financial systems and requirements.
- A strong set of communications and interpersonal skills that can be equally effective with customers and staff.
- An individual that is comfortable setting accounting and financial policies, and managing their implementation
- A team builder that is focused on continual improvement and organizational excellence.

What this Position Offers You:

- An opportunity to lead an organization that believes in seizing new opportunities and providing world-class service to customers on a state-of-the-art fiber optic network.
- An employment location that offers a desirable lifestyle in a thriving and growing urban environment.
- Located near world-class hunting, fishing, and outdoor recreation opportunities.
- An attractive compensation and benefits package.
